

**PROJECT: TIER 2 ASSESSMENT**

**SITE NAME: 28" NKPOKU-BOMU TRUNKLINE AT NORKPO, TAI LGA**

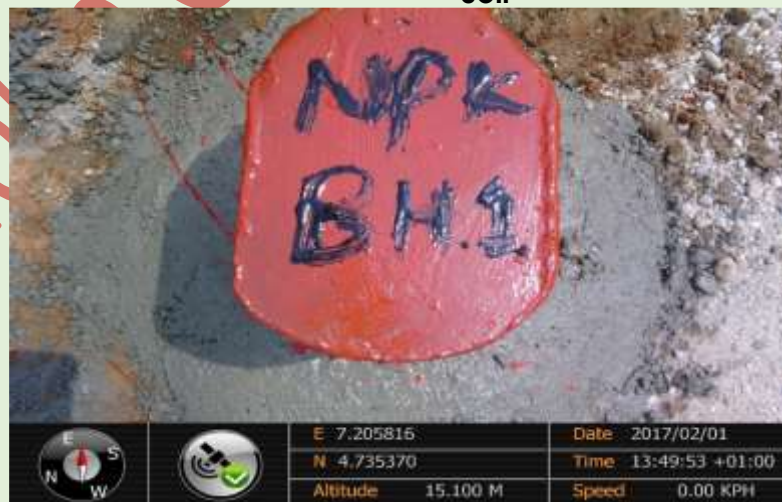

Giolee Global Resources Limited conducted a Tier 2 Assessment along 28" Nkpoku-Bomu Trunkline in Norkpo, Tai Local Government Area of Rivers State for Shell Petroleum Development Company (SPDC) Nigeria Limited. The assessment was to verifying the presence and extent of hydrocarbon contamination in groundwater and soil. Drilling and installation of boreholes were carried out to determine the groundwater elevation, configuration, as well as direction of groundwater flow. Soil and groundwater samples were collected for laboratory analysis and reporting.

**Percussion Rig for Borehole Drilling**

**Shelling activity showing Oily condition of Soil**

**Newly Installed Monitoring Well**
